

Springwell Alternative Academy Spalding

Evidencing the impact of the Primary PE and Sports Premium – academic year 2019-20

Key achievements to date	Priority areas for development
<p>Springwell Alternative Academy Spalding opened in May 2019. In that short time, the following key achievements have been identified:</p> <ul style="list-style-type: none"> • Allocation of whole school responsibility for the sports and PE curriculum to a named member of staff. • 100% of last year's y6 cohort could swim confidently, competently and proficiently over 25m, and 100% could use a range of strokes effectively. 	<ul style="list-style-type: none"> • Appointment of a Sports Curriculum Leader, who will work with SLT and Key Stage Leaders to further develop and implement this plan • Swimming lessons to focus on improving the % of children who are able to perform self-rescue in different water based situations. • All children to experience 30 minutes of physical activity each day designed to help them regulate behaviour and emotions throughout the day • All children to experience physical education lessons as part of a planned curriculum designed to develop their skills and knowledge <p>Longer term, we will focus on extending opportunities for students to engage in competitive sports, however this is not a focus for development during this academic year.</p>

This year we have **£2500** of Primary PE and Sports Premium funding. We have drawn up this initial plan as to how this will be spent. However, one of our key priorities for development is to appoint a Sports Curriculum Leader, as we have had a number of successful applications for UPS who are seeking a whole school responsibility. After this appointment we intend to allow the successful candidate to look at this plan, and develop it further with the support of SLT and Key Stage Leaders. This version of this plan is therefore an early draft – we expect changes to be made to it over the course of this year.

Our initial plan regarding our Primary PE and Sports Premium funding is to spend it in the following ways, to address the following key indicators:

<p>Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school</p>	<p>Total amount allocated:</p>
