Message from the WAT Director of Learning

Our values are fundamental to everything we do. Although we believe in high standards we also understand that we are working in a complex world. We believe in second chances, unconditional positive regard and a culture of nurture and support. With that in mind, we aim to provide the best possible opportunities for all our pupils to develop and thrive in a climate of support, guidance and authentic care.

We also value the support of all our families and believe that if we work in partnership, understand the collective challenges and face them together then we can really make a difference.

Some testimonials from staff who have progressed into more senior roles throughout their time here:

“I started in the position of Pastoral TA for the first year; I have now been promoted to Pastoral Manager. I have achieved this by hard work, good support and guidance given to me, and being committed to my job. My Line manager always gave any support or guidance I needed, she also gave me the confidence and opportunity to take on more responsibility within my job role.”

“I think I’ve developed a great deal since I started as a TA in Sept 2016. I’m now half way through my Straight to Teaching program, on the way to becoming a qualified teacher, for which I have been supported greatly by Springwell Lincs.”

“I began working as SENDCo in May 2017 which took me all over Lincolnshire and into many schools. I quickly settled in to the friendly team at Springwell and straight away was able to ‘make that difference’ I was hoping to do. Within 5 months I was made Head of Centre and now am responsible for the day to day running of the Centre. I have great support from both my team and line manager and can say that I am extremely proud of the Centre and the children that attend.”
